

PLAN YOUR ROUTE

Getting to your destination has never been easier. Gautrain will help you plan your route, assist you with bus and shuttle services as well as assist you with calculating the time and cost of visiting your destination. Finding an event, place or attraction to attend or visit makes travelling a comfortable and enjoyable experience.

Log onto www.gautrain.co.za for more information.

Gauteng (Sesotho for "place of gold") is South Africa's smallest province (17 000 square kilometres) and it includes most of the towns strung east to west along the gold reef, from Springs in the far East Rand to Randfontein in the west. It runs down to the Vaal River in the South, and just beyond South Africa's capital, Pretoria, in the north.

GAUTRAIN

For people on the move.

From the Union Buildings in Pretoria to Parktown in Johannesburg, fascinating places, attractions and destinations are scattered along Gautrain's train and bus routes. Museums, sport stadiums, shopping centres and landmarks are easily accessible using the Gautrain system and other public transport modes. Your Gautrain Gold Card is your ticket to get to know Gauteng better – just follow the landmarks indicated on the map on the reverse side.

The roof design of the Gautrain station buildings characterises the umbrella canopies of the Acacia tree. The stations express the various meeting places along the Gautrain route. Each station is themed according to its direct environment.
